NOTE

From:	General Secretariat of the Council
To:	Permanent Representatives Committee (Art. 50)
Subject:	European Council (Art. 50) meeting (13 December 2019) – Draft conclusions

In accordance with Article 3(1) of the Rules of Procedure of the European Council, delegations¹ will find attached the draft conclusions prepared by the President of the European Council, in close cooperation with the member of the European Council representing the Member State holding the six-monthly Presidency of the Council and with the President of the Commission.

¹ Following a notification under Article 50 TEU, the member of the European Council or of the Council representing the withdrawing Member State shall not participate in the discussions of the European Council or Council or in decisions concerning it.

1. The European Council reiterates its commitment to an orderly withdrawal on the basis of the Withdrawal Agreement and calls for its timely ratification and effective implementation.
2. The European Council reconfirms its desire to establish as close as possible a future relationship with the UK in line with the Political Declaration and respecting the previously agreed European Council's guidelines, as well as statements and declarations, notably those of 25 November 2018. The future relationship will have to be based on a balance of rights and obligations and ensure a level playing field.
3. To this end the European Council invites the Commission to submit to the Council a draft comprehensive mandate for a future relationship with the UK immediately after its withdrawal. It invites the General Affairs Council to adopt swiftly the relevant decisions and negotiating mandate.
4. The European Council welcomes the Commission's decision to reappoint Michel Barnier for the negotiations on the future relationship. The negotiations will continue to take place in a coherent manner and in unity and transparency with all Member States. The negotiations will be conducted in continuous coordination and permanent dialogue with the Council and its preparatory bodies.
5. The European Council will follow negotiations closely and agree further general political directions as necessary. Between European Council meetings, the General Affairs Council and Coreper, assisted by a dedicated Working Party, will ensure that the negotiations are conducted in line with the overall positions and principles agreed by the European Council as well as the Council's negotiating mandate, and provide further guidance as necessary fully consistent with the EU's best interest.
