

Suuren valiokunnan mietintö n:o 42 hallituksen esityksen johdosta laiksi valtiontalouden tarkastuksesta annetun lain 18 §:n muuttamisesta.

Suuri valiokunta on, käsiteltyään edellä mainitun asian, päättänyt yhtyä kannattamaan valtiovarainvaliokunnan mietinnössä n:o 13 tehtyä ehdotusta ja ehdottaa siis kunnioittaen,

että Eduskunta päättäisi hyväksyä hallituksen esitykseen sisältyvän lakiehdotuksen muuttamattomana.

Helsingissä 20 päivänä toukokuuta 1980.

That is, the physician is not to be a mere
mechanical instrument of the state, but a
person who is free to exercise his own
judgment in the treatment of his patients.

and the physician is not to be a mere
mechanical instrument of the state, but a
person who is free to exercise his own
judgment in the treatment of his patients.
