

Suuren valiokunnan mietintö n:o 95 hallituksen esityksen johdosta laiksi Suomen Pankin ohjesäännön 4 ja 30 §:n muuttamisesta

Suuri valiokunta on, käsiteltyään edellä mainitun asian, päättänyt yhtyä kannattamaan pankkivaliokunnan mietinnössä n:o 2 tehtyä ehdotusta ja ehdottaa siis kunnioittaen,

*että Eduskunta päättäisi hyväksyä hallituksen esitykseen sisältyvän lakiehdotuksen muuttamattomana.*

Helsingissä 20 päivänä lokakuuta 1981

The American Medical Association is a non-profit corporation organized for the purpose of promoting the interests of the medical profession and the public. It is organized into a national association and a number of state associations. The national association is organized into a number of departments, each of which is responsible for a specific function. The departments are: the Department of Education, the Department of Legislation, the Department of Public Relations, the Department of Research, the Department of Statistics, the Department of Training, the Department of Welfare, and the Department of Work. The Department of Education is responsible for the education of the medical profession and the public. The Department of Legislation is responsible for the enactment of laws and regulations that affect the medical profession and the public. The Department of Public Relations is responsible for the promotion of the interests of the medical profession and the public. The Department of Research is responsible for the conduct of research in the field of medicine. The Department of Statistics is responsible for the collection and analysis of statistical data. The Department of Training is responsible for the training of medical students and residents. The Department of Welfare is responsible for the promotion of the welfare of the medical profession and the public. The Department of Work is responsible for the conduct of the work of the association.
